Centre Structure

Our Centre is legally structured as a division of a Public Company.

The Approved Provider is The Eltham College Foundation Ltd, a public company limited by guarantee.

The Approved Provider has a range of responsibilities prescribed in the Education and Care Services National Law and Regulations, including keeping accurate records and retaining them for specified timeframes.

Our Approved Provider is also responsible for:

- ensuring the financial viability of the service
- overseeing control and accountability systems, including systems administering Child Care Subsidy
- supporting the Nominated Supervisor / responsible person in their role and providing resources as appropriate for the effective running of the service.

The Representative of the Approved Provider is the CEO of The Eltham College Foundation Ltd.

Each of our Centres have at least one Nominated Supervisor who is responsible for the day to day management of the Centre and has a range of responsibilities prescribed in the National Law and Regulations.

Our Nominated Supervisor is supported by a number of staff who have been nominated as Persons in Day to Day Charge of the Centre, an Educational Leader and Room Leaders.

The Representative of the Approved Provider and the Nominated Supervisor are the persons with management or control of the Centre and are responsible for the management of CCS.

Commitment to good governance

Our Centre has adopted the following eight ASX Corporate Governance Principles and Recommendations, which we recognise as suitable for our business.

1. Lay solid foundations for management and oversight.

Management Principles

To ensure our working relationships are characterised by open and respectful communication, accountability and trust, our Centre adheres to the following management principles.

A. Management by Agreement

Nominated Supervisors and educators agree to produce outcomes together. Educators agree on their accountabilities and to work according to existing procedures and policies. Nominated Supervisors agree to provide educators with training, resources and support.

B. Management by Exception

Once a system is in place or the Nominated Supervisor and educators have agreed upon a course of action, the educator is accountable for identifying and reporting whenever something significant occurs that isn't part of the plan.

C. Clearly Defined Reporting Relationships

Everyone in the Centre has only one primary manager. This reduces confusion and increases accountability and transparency.

Information, requests, or delegations that would cause our educators/staff to act or change the course of their actions will only come from the person to whom they report.

Our reporting relationships are:

- Persons with management or control of the Centre, including the Nominated Supervisor, report to the Representative of the Approved Provider
- Persons responsible for the day to day operation of the Centre, including the Person in Day to Day Charge of the Centre, report to the Nominated Supervisor
- Persons appointed as contacts for Child Care Subsidy purposes report to the Nominated Supervisor
- Each Room Leader reports to the Nominated Supervisor.
- Educators report to their Room Leader

D. Guidelines for Effective Delegation

Our Centre will:

- Identify the work/result to delegate and to whom.
- Educators/staff will not delegate responsibilities for which they are accountable or that have been delegated to them with their agreement or that have been attached to someone else's position (unless that person has agreed).
- Put the delegation in writing with a clear due date.
- Discuss the delegation with the educator/staff member whenever possible.
- Get the educator/staff member's agreement, for example, through signed job descriptions, signed delegation agreements.

The person who delegates remains accountable for making sure the right result is achieved.

E. Guidelines for Effective Regulation

Regulating work means monitoring, reviewing, and adjusting it to get the right result.

1. Our Centre will:

- regularly review the work process.
- give quick, clear, and direct feedback and instruction that is timely and specific.
- communicate in writing.
- avoid under-regulating, over-regulating and unnecessary meetings.

2. Structure the management team to add value.

To comply with these principles to the best of our ability and to ensure we can discuss issues and (potential) changes to policies, procedures or the regulatory environment, we will schedule regular communication between all members of our management team through meetings, phone communication including SMS messaging, a communication book, written communication such as letters, notices, and electronic communication including email, video conferencing.

3. Promote ethical and responsible decision-making

Our Centre will make decisions which are consistent with our policies, our obligations and requirements under the National Education and Care Law and Regulations, the Family Assistance Law (eg Child Care Subsidy and Additional Child Care Subsidy), our approved learning framework (EYLF) and the ethical standards in our code of conduct.

4. Safeguard integrity in financial reporting.

Our financial records will be completed/reviewed by an independent accountant /auditor.

The Representative of the Approved Provider and Nominated Supervisor are committed to the prevention and elimination of corruption and fraud, and compliance with all legislative requirements including those in the Family Assistance Law. They will implement measures to ensure child care funding is properly administered and help eligible families meet the costs of genuine child care including:

 - regularly reminding relevant staff about the need to follow all requirements in the Child Care Provider Handbook, and of the possible consequences of non-compliance or fraud/corruption eg police investigation, termination of employment eg at team meetings.

- **taking action if non-compliance or fraud is identified** eg
 - advising the Federal Department of Education, Skills and Employment (DESE) about the details of the non-compliance as soon as possible, and where relevant, within the timeframes in the attached table
 - taking immediate steps to rectify the non-compliance, including changing systems and procedures to ensure it does not recur.
